Food Rations

ITEM

Each ration of food requires 1/5 CAP. A standard package of plain rations contains 1 day's worth of bread, cheese, fruit, vegetables, and salted meats.

Five rations have a CAP of 1 and cost 5 gold pieces.

Water Rations

ITEM

Each ration of water requires 1/5 CAP. A water ration only covers the amount a character typically needs to drink in a day. It does NOT cover amounts used for cooking, cleaning, or other purposes.

You must have a waterskin or wineskin to carry rations of water. Water carried in one of these containers does not increase the CAP of the container.
